LES 2 ALPES' EXCITING NEW UPGRADE

Ready to experience unforgettable moments on the slopes?

This winter, rediscover Les 2 Alpes with the new Jandri cable car, a next-generation installation replacing the legendary Jandri Express.

The new lift guarantees faster access to the high-altitude ski area, with a journey of just 17 minutes from the resort.

More time on the slopes, longer ski days, and breathtaking views on every run!

THE 2 ALPES SKI AREA

-  220 km of slopes
-  44 lifts
-  87 slopes
-  3600 m apex

OTHER NEW ADDITIONS THIS WINTER

-  3200 magic carpet at the Jandri arrival terminal
-  La Voûte magic carpet on the Crêtes sector
-  La Séa button lift on the Crêtes sector
-  Selfie XXL on the Vallée Blanche sector
-  Photo Jump on the Vallée Blanche sector

BEGINNER AREAS

On the snowfront

- > 4 free lifts: 3 magic carpets and 1 button lift
- > Gentle skiing spaces
- > 16 green slopes on the ski area

SNOWPARK

Enter the universe of freestyle skiing and snowboarding in 4 dedicated zones – no matter what your level!

FUN ZONES

Boarder Cross

Test your skills and agility on the Toura Boarder Cross turns and jumps.

Challenge yourself!

- > **Radar Zone:** Test your speed on the Ecrins slope.
- > **Parallel slalom:** Challenge your friends on the Toura's timed slalom slope!

CATCH A LIFT BACK TO THE RESORT

Feel like resting your legs after a busy day on the slopes? The following lifts will take you back to the resort while also providing you with the opportunity to admire the panoramic views on the way down.

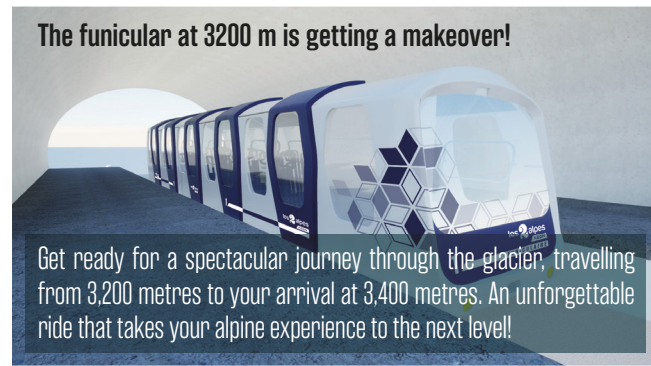

High-altitude sector

- > Jandri cable car (resort centre)
- > Diable hybrid lift (south-end of resort)
- > Belle Etoile hybrid lift (north-end of resort)
- > The Village chairlift (north-end of resort)

Vallée Blanche sector

- > Super Venosc gondola
- > Vallée Blanche hybrid lift

The funicular at 3200 m is getting a makeover!

Get ready for a spectacular journey through the glacier, travelling from 3,200 metres to your arrival at 3,400 metres. An unforgettable ride that takes your alpine experience to the next level!

CONCRETE ACTIONS TO PROTECT THE ENVIRONMENT

We work closely with our partners, customers, and local communities to reduce our environmental impact and build a more sustainable future, in order to preserve the beauty of our mountains.

- > 100% of our snow groomers run on hydrogenated vegetable oil, reducing our carbon impact by 93%
- > 100% of our ski lifts are powered by hydroelectricity
- > Solar panels have been installed on a selection of our lift terminals
- > Protection of 265 protected species across the ski area (flora and fauna)

Learn more about our initiatives at aeon.fr*

How can you help us protect the mountain?

- > Take your garbage back with you to the resort
- > Use reusable water bottles
- > Stay on marked trails to protect the environment
- > Don't throw anything from the ski lifts
- > Use pocket ashtrays for your cigarette butts

*SATA Group AEON is the lift operator for the 2 Alpes, Alpe d'Huez and La Grave ski areas.

SKI SAFE INITIATIVE

Your security is our priority!

This season, a **Ski Safe** team will be on the ski area to make sure your time on the slopes goes smoothly. Composed of ski patrollers, they keep an eye on the terrain, inform skiers, and prevent risky behaviour for safer skiing so that everyone can fully enjoy their days on the slopes.
